Women in Christ is the team ministry of Scarlett Stough and Nancy Vandemark. Our ministry started with the web site www.womeninchrist.org in January 2002. The web site continues to provide commentaries, Bible studies, inspirational writings and book reviews. The 2019 Christian Women's Retreat will be the tenth sponsored by Women in Christ. These retreats are designed to give women a time and place to be able to follow God's instruction to "set your minds on things above, not on earthly things" (Colossians 3:2) by giving us the opportunity to set aside for a brief weekend our normal routines. We can focus on our relationship with God through fellowship with one another, biblical messages, thoughtful interactive discussions, joyful activities, and worship through music and prayer. Our Quiet Time gives us an opportunity to quiet our minds and hearts to focus completely on seeking God individually. Our interactive discussions give us an opportunity to share our life lessons and challenges with one another for mutual encouragement. We hope each one who participates will return home equipped and inspired to share the love of God within her family and community.

Come join us for:

- Inspiring messages
- Interactive discussions
- Worship through music and prayer
- Food and fellowship
- Quiet time
